UtopiaWellCare

The Only No-Brainer in Healthcare

Who We Are

Utopia WellCare delivers **free functional nutrition counseling** through our contracted in-network Registered Dietitians. We help members take advantage of the no-cost visits already included under the preventive care benefit.

How We Help Employees & Their Dependents

Utopia WellCare's functional nutrition approach helps members address the root cause of health issues delivering healing and reversal of disease. We provide one-on-one personalized care plans that impact many health issues including:

- Digestive Health
- Cardiovascular Disease
- Weight Management
- Diabetes
- Fatigue & Vitality
- Hormonal Imbalance
- GLP-1 Maintenance
- Menopause & Perimenopause support
- Mental Clarity
- & More

No Employer Fees

Maximize your benefits with Utopia WellCare. Our services are baked into your insurance provider's plan. Using Utopia WellCare allows your employees to maximize their benefits at no extra cost or co-pay. Did we mention no PEPM fee?

FREE Employee & Dependent Visits

Nested in preventive care, Utopia WellCare brings expert dietitians straight to your team–virtually, conveniently, and already included in your benefits! There's no cost to you, your employees or their dependents.

Entirely Virtual & Easy to Use

Utopia WellCare handles a stress-free launch with anywhere appointment access. Rolling out a new wellness program can be overwhelming – we get it. We handle the full launch and communication process, while your employees get access to our virtual dietitians from anywhere.
